Ms. Cicotte,

The only facility that I can find with that name is located on 2055 West Pershing in Chicago. I have attached the Oct. '17 issued construction permit for the facility. **It has not yet been issued an operating permit.**

If you have any questions, my contact information is below.

Mr. Frost,

I was looking for some facility information in the IEPA databases, but couldn't find what I was looking for and was hoping for your help.

**A facility (MAT Asphalt) is identified in ECHO as having an Operating Minor permit (IL000031600QKI), but no such permit is showing up in IEPA records.** If I could get a copy of the permit that has been issued under this permit number, I would really appreciate it.

Regards,

Amber Cicotte
