Re: MAT Asphalt LLC (Illinois EPA BOA ID# 031600QKI)
Federally Enforceable State Operating Permit (19020007)

To Distribution List:

In accordance with the Illinois EPA's Environmental Justice Policy, the Illinois EPA wants to provide you with information about a potential Illinois EPA action. The Illinois EPA is sending this letter to notify you of an application received by the Illinois EPA Bureau of Air (BOA).

The Illinois EPA has received a Federally Enforceable State Operating Permit (FESOP) application from MAT Asphalt LLC for its facility located at 2055 West Pershing Road in Chicago. The application requests an initial FESOP.

The FESOP is the operating permit for the facility. The 1990 amendments to the Clean Air Act require potentially major sources of air emissions to obtain federally enforceable operating permits. A FESOP allows a source that is potentially major to take operational limits in the permit so that it is a non-major source.

The application is currently under review by the Illinois EPA's Bureau of Air. Prior to issuance, the FESOP will undergo a public notice and comment period. Bureau of Air public notice materials, including a draft permit and project summary, can be found here:
<https://www2.illinois.gov/epa/public-notices/boa-notices/Pages/default.aspx>.

If you have questions about the application, please contact Chris Pressnall, Environmental Justice Officer at (217) 524-1284, chris.pressnall@illinois.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Pressnall".

Environmental Justice Officer
